

# ROSE - Combat Add-on

## Enemy Detected:

- It seems trouble has found us!
- Be wary for we are surrounded.
- It would seem that violence is our best strategic move.

## Enemy Defeated:

- What an unfortunate turn of events... for them...
- We have won the day. Let us continue onwards.
- That was so unnecessary and now I need to bathe.

## Bleedout:

- How... dare you... I'll cut you to pieces...
- I refuse to... die in this undesirable place!
- I will not.. falter so easily...

## Get Hit:

- Strike me again! I dare you!
- uegh!
- Unff!

## Block:

- Sloppy swordsmanship, as expected.
- erhnn!
- ooff!

## Attack/powerattack:

- Your lives are forfeit as this fight is OVER!
- YAAAAA!!
- Hiya!
- I am a force to be reckoned with!
