## Greetings:

- My pleasantries to you.
- Hello. Tis wonderful to see you.
- Greetings.

## Follow:

- Shall we embark then?
- If I can be of assistance then I will gladly do so.
- But of course, darling. Let's set out then.

## Trade:

- \*Giggle\* You seem to have the impression that I am your personal knapsack.
- The finer the item the more I am likely to hold on to it.
- If doing so will please you then let's ... trade.

## Wait:

- Am I a hound to command? Don't answer that.
- You require some time alone? Thats fine, I do as well.
- Do hurry back. I am not the best in the art of patience.

## Dismissed:

- Our paths take us to separate destinations. Maybe one day they shall intertwine once more.
- So it would seem. Then I bid you farewell.
- As all things must come to an end. I will return home. If you ever require my service, you'll know where to look.

## Idle Chatter:

- Oh, how lovely.
- Such wonders can be seen if one only dares to look.
- Where does your search take us, my ever wandering friend?
- What visions shall behold my sight today? I wonder...
- The air is nice here. So crisp and welcoming.
- Ensure to care for your appearance. Image is most important.
- You are quite the tour guide, aren't you? I have seen so much traveling at your side.
- Such a wondrous place this is.

## Combat:

- You are no match to our strength!
- I am the blade that will strike you down!
- There is no glory in death.
